

# Summer's Coming!

## Need to Skip a Payment?

Take a vacation from your loan payment! If you already have a loan with Lakeshore Community Credit Union, sign up for our Vacation skip-a-pay program and skip the May, June, July or August payment on your qualifying credit union loan.

To take advantage of this special offer, simply complete and sign the Loan Change Agreement and return it to our office with the \$29.00 postponement fee for each loan being postponed. We must receive your request at least 5 business days prior to the loan payment due date. The interest on the loans will continue to accrue, and all other terms and provisions will remain unchanged.

The following loan types are NOT eligible for postponement: mortgages, home equity, overdraft and certificate-secured loans. Loans must be current to be eligible and Lakeshore Community Credit Union reserves the right to refuse any skip-a-payment request. If your loan is paid through Payroll Deduction or Direct Deposit, your payment will remain in your share, share draft or loan savings account and may be withdrawn.
